We are looking to extend the team in our busy, thriving, popular nursery. This is for a term time only position of 38 weeks per year, whilst being paid for 42 weeks (discretionary holiday payment of 4 weeks).

We are an established, loving, caring Christian nursery in the heart of Southsea – our staff group are well supported, diverse and committed to ensuring our children thrive in our purpose-built setting.

We look forward to you joining our very special nursery family!
